

EI Video Library Submission Request Form

The purpose of this form is to document necessary information about videos that are submitted for consideration within the EI Video Library. Content in the video should be aligned with evidence-based practices in the field. Upon review, the [EI Video Library Advisory Group](#) will use the Vetting Form to help decide which videos are added to the EI video library. This review is to be completed by at least two EI Video Library Advisory Group Members for any new video that is under consideration for the EI Video Library.

Describe which of the 7 Key Principles of Early Intervention , DEC Recommended Practices , or other evidence-based practices are represented in this video: Key Principles Illustrated in the Video: <i>(circle or highlight all that apply)</i> <ol style="list-style-type: none">1. Infants and toddlers learn best through everyday experiences and interactions with familiar people in familiar contexts.2. All families, with the necessary supports and resources, can enhance their children’s learning and development.3. The primary role of a service provider in early intervention is to work with and support family members and caregivers in children’s lives.4. The early intervention process, from initial contacts through transition, must be dynamic and individualized to reflect the child’s and family members’ preferences, learning styles and cultural beliefs.5. IFSP outcomes must be functional and based on children’s and families’ needs and family-identified priorities.6. The family’s priorities, needs and interests are addressed most appropriately by a primary provider who represents and receives team and community support.7. Interventions with young children and family members must be based on explicit principles, validated practices, best available research, and relevant laws and regulations.
