

# November 2022

**TOPIC:** Blunt Discussions that Lead to Positive and Powerful Conversations

**33** participants completed the survey

SC Chats are 1-hour statewide web discussions that offer service coordinators (SCs) the opportunity to hear from colleagues, share strategies and ideas, and receive support.

### REGION

\*Percentages rounded to the nearest whole number

## TRAINING IMPACT

The information was practical/useful to me in my work.

I feel more connected to other SCs in my state.

This activity will have a positive impact on my professional work.

This opportunity to learn and share ideas with colleagues was valuable.

#### **PRIMARY ROLE**

(97%) Service Coordinator

(3%) Local System Manager
